

- Currently, members of the International Association of Machinists and Aerospace Workers District 70, Local Lodge 774 (IAM) are engaged in a strike at Textron Aviation's West Campus, East Campus, Wichita Service Center and Components Manufacturing Facility locations.

- As a responsible business, we are prepared to maintain operations and will provide continued service and support for our customers.

- For questions regarding your aircraft delivery, please contact your Customer Account Manager or Regional Sales Director.

- For questions related to your aircraft maintenance while your aircraft is in the Wichita Service Center, please contact your Customer Service Manager.

- For questions related to aircraft parts, please contact Textron Aviation Parts & Distribution Regional Support at 1-800-835-4000 (<tel:1-800-835-4000>). All parts will be shipped directly to customers via shipping carriers. Textron Aviation Parts Distribution will not accept physical order pick-ups or drop-offs during the strike.
